

Arrival and Dismissal Policies for 2021 Onsite Camp:

VisArts is located at 155 Gibbs Street, on the corner of Gibbs Street and Beall Avenue. Because Gibbs Street will be blocked off to traffic through the summer, camp arrival/dismissal will take place on Beall Avenue. Please see this [diagram](#) for reference.

VisArts will be using ProCare; a digital check-in childcare system for digital health checks, and student check in/check out. Families will be asked to create an account with ProCare and download the application for their phones. The app is compatible with both Android and iOS devices. If you would like to learn more about ProCare, please check out their website [here](#). VisArts will send out instructions for creating an account and how to use the system before camp starts.

VisArts Camp Arrival:

VisArts will require all students to answer a series of questions prior to arriving at VisArts. These questions must be answered EVERY DAY prior to check-in. This pre-check process will include a temperature check and three safety questions. Students measuring a temperature above 100.4°F, or answering yes to any of the safety questions will not be permitted to attend camp. Once the pre-check process has been completed, students may be dropped off. As stated above, Gibbs Street will be closed during the summer, VisArts will use Beall Avenue for camp drop-off and pick-up. Between 8:15 and 8:30 AM, families should drive up Beall Avenue, staying in the right lane, and wait for a staff member to indicate that they have entered the safe dropoff zone. Students will then be checked in by staff and brought to their pod.

The pre-check process **must** be completed by the time students arrive for drop off. If the pre-check-in process has not been completed by the time students have arrived at the drop-off zone, families will be asked to park, complete the pre-check-in questions, and return to the drop-off zone. If the check-in period has been completed, students will have to be escorted to the 3rd floor for check-in.

VisArts Camp Dismissal:

Dismissal will take place between 4:00 and 4:15 PM on Beall Avenue. Families should pull up on Beall Avenue, staying to the right, and drive all the way up to the safe zone. Prior to camp, families will be sent a pick-up-pass, which will indicate the children they are authorized to pick-up from camp. Students may only be picked up by people who have a pick-up pass with

their name on it, or if they are a designated pick-up person. Pick-up people can be added, edited, and changed via the camp forms and the ProCare app?

It will not be necessary to get out of your car for pick-up. Once you are in the designated safe zone, your child(ren) will be escorted to you by a staff member.

Late Arrival and Early Dismissal:

Students who will arrive late or leave early from camp because of medical appointments or previous commitments will need to inform staff ahead of time. Students will need to follow the same pre-check process before arriving at camp. Students will need to be brought to the 3rd floor for late check-in and picked up from the 3rd floor for early pick-up. If entering the building is not ideal/possible for you, please let us know ahead of time and we will make arrangements to bring your child down to the pick-up/drop-off zone.
